### **crimes and human rights abuses - BBC**

In the context of Iraq under Saddam Hussein, which is the focus of all three books, this question has an implication that harkens back to the months of the run-up to the 2003 US-led invasion of the country that brought the collapse of the regime. Several justifications were used for the invasion, some concrete (though unfounded, as we now know), such as the allegation that Iraq was in the ...
